COMMUNITY ALERT

April 14, 2004

From March 20 to April 3, 2004, five people reported that they were robbed while walking during the late evening hours in the Cambridgeport area. In all instances the suspects were described as black teenaged males. Two incidents reportedly involved a lone male subject while the other three cases involved two male assailants. The incidents were along Magazine and Pearl Streets, respectively. Investigators working on these cases developed evidence which identified a male teenager as a suspect. He was arrested and has been charged in the Cambridge District Court.

Investigations and additional patrol efforts are continuing. There have not been any more street robberies in this neighborhood since April 3rd. However, the public is cautioned to be alert while walking during the evening hours.

If anyone has any information regarding these incidents please contact Detective Lieutenant Lester Sullivan at 617-349-3386.
